

Pronghorn Controlled Hunts

For details on controlled hunt rules and restrictions please see pages 73-76.

Hunters: Please check Controlled Hunt Area descriptions on page 55. Hunt Areas may change annually.

All pronghorn hunting, including archery seasons, is by controlled hunt.

Doe or fawn only: Only pronghorn without a black cheek patch or with horns less than 3 inches long may be taken during doe or fawn only pronghorn seasons. To participate in an archery only pronghorn hunting season, hunters must have in their possession an archery permit in addition to required license and tag.

Attention Pronghorn Archery Hunters! Don't give your sport a black eye. Did you know that leaving blind material is considered littering? And, digging pits on federal land is a violation of federal law? For more information on how to construct a legal blind, see page 65, or contact your local Bureau of Land Management office.
